

## **CSCI 5448 Project - Part 1**

### **Team:**

Yihua Shi  
Xueyan Wu  
(TBD)

### **Project Title:**

A Craigslist Like Site

### **Description:**

A simplified classified advertisements website like Craigslist with sections devoted to jobs, housing, personals, items wanted and for sale. Users can create their accounts and post their need or things wanted to share.

### **Functionality:**

- User can create an account
- User can log in and sign out
- User can view posts without login
- Login is required for user to post and comment
- User can view the history of his post and comment in account dashboard
- User can save / remove posts to the favorite list (login required)
- User can contact owner / dealer through email with the "Reply" button

### **Stretch Goal:**

- Posts can be shared on social media
- Show owner / dealer's location using Google Maps API
